District of Delaware

**Re: DeJesus v. Williams, et al.**  
**C.A. No. 06-209-JJF**

Dear Judge Farnan:

I am writing in response to the Court's request for a status update in the above-captioned case. On February 26, 2007, Your Honor requested that counsel for the defendants submit to the Court a letter explaining the status of the plaintiff's liver biopsy by March 16, 2007. (D.I. 58). Counsel for the state defendants responds as follows:

01/12/2007    Lab work was begun on plaintiff in preparation of his liver biopsy.

03/06/2007    Lab work was completed on plaintiff in preparation of his liver biopsy.

03/14/2007    A liver biopsy was performed on plaintiff.

Enclosed please find supporting documentation reflecting these procedures.

I remain available at the Court's convenience should anything further be required.

Respectfully,

/s/ Stacey Xarhoulakos  
Deputy Attorney General
